

# President Vario 350

A truly magnificent awning designed for the caravanner who requires the ultimate in space and style. With a depth of 350 cm this luxury awning is ideal for caravanners who wish to use their awning all year round on a permanent site, or for families who require lots of useable space. By changing the position of the front panel you can obtain a depth of 240 cm plus a large porch area of 110 cm. By fitting the optional partition wall other practical layout options are available.
